- 2) Workplan, approximately 1 DIN-A 4 page signed by the coordinator

- 3) the actual study schedule including all modules, signed by the coordinator. Changing the coordinator means that the former one must also sign the form.

### **Credits**

The master-thesis is credited with 30 CP.

The Master-thesis must be finished within 6 months starting from the approval of the application. This period of time can be extended by 6 weeks; this requires a statement signed by the student and the coordinator.

The thesis can be stopped by the student only once and only during the first 10 days of the work.
